

CUSTOMER LOYALTY PROGRAM

Hurry to save on niagara4

MOVE TO N4 NOW AND SAVE

Niagara Framework® is at the center of a loyal community of users. We would like every member to experience Niagara to the fullest — which means you should be running Niagara 4. To help you along that journey, Tridium is offering a significant discount on the list price of core Niagara 4 software when you upgrade your JACE. Also, any customer that takes advantage of this program is eligible for a 5-year Software Maintenance Agreement (SMA) for the price of an 18-month SMA on the upgraded JACE 8000.

PROGRAM DESCRIPTION

Niagara customers with older JACEs from the Model 2, Model 3, Model 6 or Model 7 families that trade-up to a JACE 8000 that supports Niagara 4 are eligible for the following discount:

- **25% off core Niagara Framework software, plus a 5-Year SMA for the price of 18 months of coverage. DIscount available until June 30, 2025.**

PRODUCT DESCRIPTION

The performance, flexibility and range of accessory options offered since the JACE 8000 surpass that of the legacy JACE platforms. Plus, the latest JACE make accessible powerful Niagara 4 features such as:

- Essential cybersecurity upgrades and cyber defense features that keep your deployments in compliance with today's enterprise IT standards
- Provisioning tools that help you save time and scale your Niagara deployments to achieve desired outcomes
- Modern HTML5 graphics visualization capabilities that serve in the creation of better user interfaces
- A larger and more up-to-date set of drivers, communication protocols and other options for connecting newer devices and operating systems into Niagara networks
- To review all the Niagara Framework® features released since the introduction of Niagara 4, click through to our Roadmap Timeline — and there is more to come!

ELIGIBILITY, TERMS & CONDITIONS

JACE PLATFORMS

- JACE 2, 3E, 4, 5, 6, 6E, 7, SEC-2 or SEC-6 that are running Niagara AX

DRIVERS, SOFTWARE OPTIONS AND ACCESSORIES

- All standard drivers supplied by Tridium and supported on N4 will be migrated.
- 3rd-party drivers not supplied by Tridium need to be licensed through the supplier.

REQUIREMENTS

- Purchase of 5-year SMA required
- Host IDs of any legacy JACE that is deactivated in the Niagara 4 upgrade process will need to be provided
- The deactivated legacy JACE must be rendered inoperable or destroyed within 180 days of upgrade date
