

## JACE 8000 Trade Up Terms and Conditions

PLEASE READ THESE TERMS AND CONDITIONS BEFORE PURCHASING A JACE® 8000 AT A DISCOUNT UNDER TRIDIUM'S JACE 8000 TRADE UP PROGRAM. SUCH A PURCHASE BINDS THE PURCHASER TO THESE TERMS. FAILURE TO COMPLY COULD RESULT IN AN OBLIGATION TO REFUND THE DISCOUNT TO TRIDIUM.

IF YOU ARE ACCEPTING THESE TERMS AND CONDITIONS ON BEHALF OF, OR FOR THE BENEFIT OF, YOUR EMPLOYER OR ANY OTHER PARTY, YOUR ACCEPTANCE OF THESE TERMS AND CONDITIONS CONSTITUTES YOUR REPRESENTATION THAT YOU ARE AUTHORIZED TO DO SO. IF YOU DO NOT AGREE TO THESE TERMS AND CONDITIONS, OR IF YOU ARE NOT AUTHORIZED TO DO SO, YOU ARE NOT AUTHORIZED TO PURCHASE ANY JACE 8000 AT THE DISCOUNTED PRICE OFFERED UNDER THE TRADE UP TERMS.

Last updated: August 21, 2017

1. Eligibility of Purchaser. In order to be eligible to purchase a JACE 8000 controller at the JACE Trade Up discount, the purchaser must be a party to an agreement with Tridium under which it is authorized to resell Niagara Framework products.
2. Parts Eligible for Trade Up. To be eligible for the JACE Trade Up discount price, a JACE 8000 controller (i) must be used to replace an actively licensed JACE 2, 3E, 4, 5, 6, 6E, or 7 (either R2 or Niagara AX) that the purchaser has identified to Tridium as one that will be replaced with a JACE 8000 ("Replaced JACE"), and for which the purchaser has provided Tridium the host ID of the device for which the Replaced JACE is licensed, and (ii) the Replaced JACE must be so physically damaged that it is permanently rendered unusable within 180 days of the purchase of the JACE 8000 purchased to replace it ("Replacement JACE 8000"). If any Replaced JACE is not so damaged or destroyed within that period, Tridium may, at any time, require the purchaser to pay the amount of the discount allowed by Tridium for the Replacement JACE 8000. Such payment shall be due upon receipt of Tridium's invoice for the refund.
3. Drivers and Software Options. Drivers and software options available on a Replaced JACE will not be available for purchase for, or transferrable to, a Replacement JACE 8000 unless such drivers and options are on the current price list as available for the JACE 8000.
4. Disabling of License in Niagara Portal. Any license for a JACE for which purchaser has submitted a purchase order a Replacement JACE 8000 may be rendered nonfunctional by Tridium in Tridium's Niagara Central portal at any time after Tridium accepts that purchase order.
5. Duration of Trade Up Program. Tridium may terminate the JACE 8000 Trade Up program at any time.
