Niagara New Product Showcase

Spotlight Your New Product at the Niagara Summit 2018

If you launched a new product since the Niagara Summit 2016 (May 2016) that is based on or interfaces with the Niagara Framework, the Niagara New Product Showcase is a great opportunity to shine the spotlight on your new offering!

Showcase Overview

Participants will complete the attached submission form and submit by 5:00 PM EDT, April 2, 2018. A panel composed of Niagara Community members will review and select the Top 5 Finalists to be showcased at Niagara Summit 2018 in New Orleans. The top 5 finalist's products will be announced during the keynote address at the Summit on April 16th. The Niagara Community will vote on the Top 2 projects. Awards will be presented during the Gala Dinner on Tuesday evening, April 17th.

Awards

- 1st Place Finalist will receive a cash award of \$5,000, an engraved crystal, a "2018 Top New Niagara Product" logo for print and web use and mention in Tridium's post-Summit social media campaign.
- 2nd Place Finalist will be awarded an engraved crystal and mention in Tridium's post-Summit social media campaign.
- All finalists will be provided a "2018 Top New Niagara Product Finalist" logo for web and print use.
- Tridium will issue a global press release announcing the winner and finalist. The 1st Place Winner will be quoted in the release.

How to Participate:

Simply complete the attached form and submit to NiagaraSummit@Tridium.com by 5:00 PM EST, April 2, 2018. Top 5 Finalists will be notified by April 9, 2018.

Eligibility Requirements:

To be eligible to participate the following requirements must be met:

1. Submitted product must have been introduced on or after May 1, 2016
2. Product must be available commercially and open to the Niagara Community
3. Product cannot be exclusive to a single manufacturer/OEM channel
4. Product must be available for use with Niagara revision 4.0 and higher
5. Product can be a software- or JACE-based product with a value added application
6. Product/application must be built on the Niagara Framework:
 - a. Niagara-based (Example: Enhanced workbench tools, third-party drivers, mobile applications, etc.)
 - b. Niagara integrated product: (Example: Energy reporting package)
7. A representative of your organization must be at the Summit to qualify.

Please forward any questions to NiagaraSummit@tridium.com.
