2018 Niagara Innovator Award

Tell us about your most innovative Niagara Framework project!

Innovation is what the Niagara Framework is all about. Every day the Niagara Community turns possibilities into real-ties using this powerful platform. The Niagara Innovator Award provides you with the opportunity to spotlight projects that focus on innovation, creativity, and collaboration.

Showcase Overview

Participants will complete the attached submission form and submit by 5:00 PM EDT, April 2, 2018. A panel composed of Niagara Community members will review and select the Top 5 Finalists to be showcased at Niagara Summit 2018 in New Orleans. The top 5 projects will be announced during the keynote address on Monday, April 16th. The Niagara Community will vote for the Top 2 projects. Awards will be presented during the closing dinner on Tuesday evening, April 17th.

Awards

- 1st Place Finalist will receive a \$5,000 cash award, an engraved crystal, a "2018 Niagara Innovator of the Year" logo for print and web use and promotion and mention in Tridium's post-Summit social media campaign.
- 2nd Place Finalist will receive an engraved crystal and mention in Tridium's post-Summit social media campaign.
- All finalists will be provided with a "2018 Niagara Innovator Finalist" logo for web and print use.
- Tridium will issue a global press release announcing the finalists and winner. The 1st Place Finalist will be quoted in the release.

How to Participate:

Simply complete the attached form and submit to NiagaraSummit@tridium.com by 5:00 PM EST, April 2, 2018. Top 5 Finalists will be notified by April 9, 2018.

Eligibility Requirements:

To be eligible to participate the following requirements must be met:

1. Submitted project must be completed by 4/1/2018.
2. Project must be based on Niagara 4.0 or higher.
3. Project must include JACEs and Web Supervisor.
4. Projects must include interfaces to multiple systems and protocols.
5. Projects may be non-buildings based such as equipment monitoring solutions or industrial solutions.
6. Projects with unique applications and solutions are encouraged to apply regardless of size.
7. A representative of the submitting company or end user must be present at the Summit.

Please forward any questions to NiagaraSummit@tridium.com.
